Cada on Hill by WRP in collaboration with SKN

alfa8 provides deep bench of experience serving diverse markets and clients in both public and private sectors. With more than 40 years of practice, and licensed in 20 States, we have a demonstrated history of design leadership.

We are a micro, SWaM, Veteran Owned Small Business; and we leverage long-term and tenured relationships with minority and women owned businesses and consultants. **We are a highly collaborative studio that blends great design with advanced technology for strong market-relevant projects.**

Our comprehensive list of projects include military and student housing; subsidized housing; multi-family units in conformance with HUD's fair housing; data centers; blast-proof facilities; hospitality and retail facilities; mixed-use projects; master planning and urban design; as well as corporate and office buildings.
